Diversity, Equity and Inclusion for **UK Pension Schemes**

In Practice

What do we gain by having a diverse **Trustee Board?**

- Make **better decisions** and find more **innovative solutions** to problems, resulting in better outcomes for members
- Better reflect the scheme membership profile and more **effectively representing members'** interests
- Achieve **better investment returns**
- Work more efficiently
- Different skills

What can you do to **ensure EDI is at the forefront of your mind?**

1. Introductory training
2. Risk register updates
3. Review accessibility in member communication
4. Trustee effectiveness review
5. Consider policies of advisers and investment managers
5. Discretionary practises and unconscious bias training with real life scenarios
7. Prepare trustee recruitment policy, Succession plan, Contingency plan
8. Formalise a diversity and inclusion policy
